

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT TACOMA

UNITED STATES OF AMERICA,

Plaintiff,

v.

CYNTHIA D. GATES,

Defendant.

Case No. C03-5746KLS

ORDER DENYING REQUEST FOR
EARLY TERMINATION OF
PROBATION

The Court received a letter from Ms. Gates dated March 23, 2005, a copy of which is made a part of the court file, in which she requested early termination of her three year term of probation. Ms. Gates has now completed one year of her sentence. While it appears that Ms. Gates is doing well on probation, she has not presented any compelling reason as to why her sentence should be reduced from three years of probation to one year. Her request is therefore denied.

DATED this 29th day of April, 2004.
